Em Everything has a be D ginning  
Em Everything comes to an D end  
C Take it or leave it  
You Am better believe it  
Be my G lover, be my B7 friend

Try to deny, what you're feeling  
And you know that your heart will say no  
Love will last longer  
Growing stronger and stronger  
If you stay and don't let go

Em Oh, out on the line  
Like a C star, like a hero  
G Love will sur D vive  
Oh, Em taking the fight  
Is the C life of a hero  
G Staying a D live  
Em This is a story  
Of C love and compassion  
Only G heroes can D tell  
Oh, Em out on the line  
Like a C star, like a hero  
G Love D will sur Em vive

Heaven and earth keep colliding  
But we love on a world of it's own  
Oh, there you can fake it  
Just make it or break it  
Only you can find the one

*Oh, out on the line...*

Em Oh, survive  
D Heroes can live on their C own  
But G heroes never die alone B7

*Oh, out on the line...*
